## Course Overview

The **Learning Support Assistant (LSA) Training Course** is designed to equip individuals with the essential skills and knowledge required to effectively support students in their learning journey. This **comprehensive and practical program** covers key aspects of educational support, including understanding learning disabilities, classroom management techniques, inclusive education strategies, and professional best practices.

By the end of this training, participants will be **confident, skilled, and well-prepared** to provide effective support to students, teachers, and educational institutions.

## Training Methodology

Our **blended learning approach** combines:

- ✓ **Theoretical Knowledge** – Interactive lectures and discussions
- ✓ **Practical Application** – Hands-on activities, real-world case studies, and role-playing exercises
- ✓ **Scenario-Based Learning** – Realistic simulations to develop problem-solving skills
- ✓ **Collaborative Learning** – Group work, peer discussions, and feedback sessions

## Course Structure

The course is divided into key **modules** covering all essential areas of Learning Support Assistance:

### Module 1: Introduction to Learning Support Assistance

- Role and Responsibilities of an LSA
- Supporting Pupils, Teachers, and the School
- Essential Qualities of an Effective LSA

### Module 2: Understanding Learning Disabilities

- Overview of Common Learning Disabilities (Dyslexia, Dyspraxia, Autism Spectrum Disorder, etc.)
- Identifying Individual Learning Needs
- Strategies to Support Diverse Learners

### Module 3: Effective Communication Strategies

- Developing Strong Communication Skills
- Interacting with Students, Teachers, and Parents
- Active Listening and Positive Reinforcement Techniques

### Module 4: Classroom Management Techniques

- Supporting Pupil Engagement and Participation
- Encouraging Positive Behavior and Managing Disruptions
- Implementing Behavior Support Plans

### **Module 5: Differentiated Instruction & Inclusive Education**

- Adapting Teaching Strategies to Meet Individual Learning Styles
- Promoting an Inclusive and Supportive Classroom Environment
- Encouraging Student Independence and Confidence

### **Module 6: Assessment and Progress Monitoring**

- Understanding Student Assessments and Individual Education Plans (IEPs)
- Tracking and Evaluating Student Progress
- Working with Teachers and Specialists to Improve Student Outcomes

### **Module 7: Professional Practice & Ethical Considerations**

- Teamwork, Professionalism, and Workplace Conduct
- Equal Opportunities and Diversity Awareness
- Health, Safety, and Child Protection Policies

### **Special Focus: Supporting Students with Special Educational Needs (SEN)**

- SEN Code of Practice and Individual Education Plans (IEPs)
- Applied Behavior Analysis (ABA) and Positive Reinforcement Strategies
- Supporting Students with ADHD, Autism, and Other Learning Difficulties
- Introduction to Registered Behavior Technician (RBT) and Nonviolent Crisis Intervention (NVCI)

## Who Should Attend?

This course is ideal for:

- ✓ **Aspiring Learning Support Assistants** seeking a rewarding career in education
- ✓ **Teachers and Education Professionals** looking to enhance their skills
- ✓ **Parents and Caregivers** supporting children with special learning needs
- ✓ **School Administrators** implementing inclusive education strategies

## Key Course Benefits

- ✓ **Industry-Experienced Instructors** – Learn from experts in education and SEN support
- ✓ **Hands-on Practical Training** – Interactive learning with real-world applications
- ✓ **Flexible Learning Options** – In-house, corporate, and online training available
- ✓ **Internship & Placement Assistance** – Gain practical experience in real classroom settings
- ✓ **Certification Upon Completion** – Earn a recognized credential to enhance career opportunities

## Course Materials & Resources

Participants will receive:

 **Comprehensive Course Materials** – Textbooks, handouts, and digital resources

 **Access to Online Learning Tools** – Educational videos and interactive content

 **Practical Case Studies & Scenarios** – Real-life situations to develop problem-solving skills
