CISI Wealth & Investment Management (Level 3): Outstanding training provided by course trainer Aditya, who made sure all points were covered and well explained. He made himself available at all times. Reading the CISI WM & IM Book + material provided by Elegant Training Academy (specially prepared book, summary notes, mock tests and quizzes) helped to achieve a high pass rate. Six to eight weeks preparation required to complete content (Elegant training 3 to 4 weeks plus self-study 3 to 5 weeks). Highly recommend Aditya and Elegant Academy for this course.

UAE Rules & Regulations: Mock exams were very good preparation for the exam and helped to achieve a high pass rate.
